JSfirm.com and Flight Innovation, Inc. Partner to Boost Flight Dispatcher Careers

Roanoke, Texas (September 5, 2024) - JSfirm.com is excited to announce a valuable new partnership with Flight Innovation, Inc., expanding its Job Distribution Network (JDN). This integration is designed to seamlessly connect Flight Innovation Inc.'s premier flight dispatcher training with our extensive job listings, offering graduates a smooth transition into the workforce.

Flight Innovation, Inc. is dedicated to elevating the standards of flight dispatcher training through FAA-approved programs. Their mission is to equip students with practical flight planning and dispatch skills, preparing them to tackle real-world challenges and become world-class airline and corporate flight dispatchers.

This partnership expands JSfirm.com's Job Distribution Network to now include over 25 schools and training centers, demonstrating a focus on linking students to job opportunities within the network and assisting employers in reaching recently graduated job seekers.

"We are thrilled to partner with JSfirm.com, as this collaboration aligns perfectly with our mission to provide top-tier training and seamless career opportunities for our graduates," Borys Pawlowski, Founder and CEO of Flight Innovation, Inc., commented. "By integrating our FAA-approved flight dispatcher training with JSfirm.com's extensive job distribution network, we are empowering our students with the tools and connections they need to excel in their careers from day one."

This partnership allows job seekers to access the latest aviation job opportunities directly on Flight Innovation Inc.'s website.

Any aviation schools, programs, or associations interested in becoming a JSfirm.com Job Distribution Partner can contact Laurie Elliott directly at laurie@jsfirm.com.

About Flight Innovation, Inc.

Flight Innovation, Inc. is dedicated to providing world-class flight dispatcher training under FAA certification. Their mission is to prepare the next generation of flight dispatchers by applying the latest innovations in training and technology.
