JSfirm.com and Buiqui Aerospace Announce Partnership to Expand Industry Job Reach

Roanoke, Texas (September 17, 2024) - JSfirm.com announced Buiqui Aerospace as their newest Job Distribution Partner. This partnership allows job seekers to access the latest aviation job opportunities directly on Buiqui Aerospace's website.

Buiqui Aerospace, a bilingual aviation school headquartered in Florida but with flight schools located throughout the U.S. and Puerto Rico, is recognized both nationally and internationally. The school offers a range of programs tailored to each student's dream of becoming a pilot, ensuring the program aligns with their aspirations.

"Partnering with Buiqui Aerospace is exciting because, at JSfirm.com, we know the importance of these students having accessibility to current aviation resources, especially those aviation career opportunities," Laurie Elliott, Partnership Manager for JSfirm.com, shared. "Buiqui is truly family. Beginning with three brothers who had aviation dreams, now every student and employee is part of the bigger family. At Buiqui, all students are treated with consistent respect and kindness."

Georgie A. Buitron, CFO for Buiqui, commented, "We are excited to partner with JSfirm.com for the benefit of our students. As we cater our different programs to each student's specific career goals, JSfirm.com also allows our students to customize their job search to their interests and passions. They have the ability to narrow their search down by experience level and their choice of over twenty different categories."

Any aviation schools or programs interested in becoming a JSfirm.com partner can contact Laurie directly at laurie@jsfirm.com.

About Buiqui Aerospace

Buiqui Aerospace is dedicated to equipping pilots with the skills and knowledge needed to reach their personal and professional aspirations. Buiqui Aerospace's mission is to become an inimitable aviation school of excellence at national and international levels, empowering its students to chart new courses and make significant strides in their aviation careers.
