## JSfirm.com and AVLINK Forge Partnership to Connect Students with Aviation Jobs

---

Roanoke, Texas (November 25, 2024) - JSfirm.com is pleased to announce a new partnership with AVLINK, an innovative blog platform designed to connect aviation students with industry professionals. Through this collaboration, AVLINK will become a Job Distribution Partner with JSfirm.com, expanding access to aviation job opportunities and helping aspiring professionals bridge the gap between education and employment.

AVLINK, founded by students for students, serves as a vital resource for those pursuing careers in aviation. It provides mentorship, career development tools, and a unique networking community for students. As part of this partnership, all aviation jobs listed on JSfirm.com will be made available for students and professionals to search and explore within a dedicated section on the AVLINK.blog website. This collaboration ensures that both job seekers and employers have access to an expanded pool of talent and opportunities during the job search process.

Laurie Elliott, Partnership Manager for JSfirm.com, shared, "We are so pleased to partner with AVLINK, an organization *FOR* and *BY* aviation students. JSfirm.com will give AVLINK members exposure services that will put them on the best path to aviation industry career success!"

"At AVLINK, we are dedicated to fostering connections between aspiring aviation students and seasoned professionals by delivering insightful articles, the latest industry updates, and expert perspectives," the AVLINK team commented. "We are proud to partner with JSfirm.com to offer invaluable job opportunities, empowering students to launch successful careers in aviation. Our mission is to cultivate a dynamic hub where the aviation community can come together to learn, share, and grow collectively."

Any aviation schools, programs, or organizations interested in becoming a JSfirm.com Job Distribution Partner can reach out to Laurie Elliott directly at [laurie@jsfirm.com](mailto:laurie@jsfirm.com).
