JSfirm.com and AMTIL Partner to Accelerate Careers in Aviation Maintenance

Roanoke, Texas (December 2, 2024) - JSfirm.com is excited to announce a new partnership with AMTIL (Aircraft Maintenance Technician Interactive Learning) as a Job Distribution Partner. This collaboration will allow AMTIL's platform to feature aviation job listings directly from JSfirm.com, helping bridge the talent gap in aviation maintenance.

AMTIL is transforming aviation maintenance training via its gamified learning platform, leveraging machine learning and virtual reality to deliver maintenance learner-optimized experiences. This platform provides an immersive learning experience designed to capture students' attention and close the skills gap in the aviation industry. AMTIL recognizes that the flying public's safety relies on competent, enthusiastic, and well-prepared maintenance technicians, and is committed to preparing the next generation of qualified technicians.

Through this partnership, AMTIL's users will gain direct access to JSfirm.com's vast job listings on the AMTIL website, helping them connect with top employers in the aviation industry. By linking to JSfirm.com's jobs, AMTIL provides its users with increased access to job opportunities.

Laurie Elliott, Partnership Manager for JSfirm.com, commented, "AMTIL is bringing the latest technology to the field of aviation maintenance education. It is so exciting for JSfirm.com to be part of this endeavor. We are honored to partner with AMTIL as they continue to grow."

"At AMTIL, we're extremely proud to partner with an organization like JSfirm.com, which is as committed to fortifying the aviation maintenance industry as we are," shared Josh Wall, Co-Founder & CEO at AMTIL. "We look forward to providing users of our platform with seamless access to tailored job opportunities after completion of their AMT training, ensuring continual pipelines of talent into the industry."

Any aviation schools, programs, or associations interested in becoming a JSfirm.com Job Distribution Partner can contact Laurie Elliott directly at laurie@jsfirm.com.

About AMTIL

AMTIL (Aircraft Maintenance Technician Interactive Learning) is transforming aviation maintenance education through gamification and with advanced technologies like virtual reality and machine learning.
